A68704	ATLAS Red Dot FC1 Reflex Sight Black	Vente libre	CR2032	Black	21mm rail	76.00 € incl. tax

Fast and precise aiming with a clear and bright red dot.

The **ATLAS Custom Works Red Dot FC1** is a compact reflex sight designed to improve target acquisition speed in **airsoft** and recreational shooting.
Its robust aluminum construction ensures lightness and durability in the field.

- **Magnification:** 1x
- **Reticle:** red dot
- **Construction:** aluminum
- **Dimensions:** 50 x 35 x 40 mm (without assembly)
- **Power supply:** 1 CR2032 battery (included)
- **Color:** black

Instant target acquisition

On the field, every fraction of a second counts. This **red dot sight** allows for instinctive aiming with both eyes open, ideal for dynamic **airsoft** gameplay. The illuminated reticle remains clear and easily visible, even in changing environments.

Lightweight and durable construction

Made of aluminum, it combines strength and light weight - a real advantage for maintaining a maneuverable replica. Its **shock-resistant** and **fog-proof** design ensures reliable use in all conditions.

Optical quality and visual comfort

The anti-reflective coated lens improves light transmission and reduces glare. The result: a clearer image, better definition, and increased resistance to micro-scratches.

Settings adapted to all situations

- **Brightness adjustment:** multiple intensity levels

- **Lens type:** compact SLR
- **Resistance:** anti-fog and shockproof
- **Included accessories:** battery, screwdriver, Allen key

FAQ

Is this red dot sight compatible with all airsoft replicas?

It is compatible with most standard rails (Picatinny/Weaver type), which covers the vast majority of airsoft replicas.

What is the battery life of the CR2032 battery?

Battery life depends on the light intensity used, but a CR2032 battery typically provides several tens of hours of continuous use.

Is this viewfinder suitable for outdoor use?

Yes, thanks to its resistance to shocks and fogging as well as its anti-reflective treatment, it is perfectly usable outdoors.
