A high-capacity electric drum charger to maximize your game's battery life.

The **Lancer Tactical Drum C-Mag M4 2500** is an electric drum magazine designed for M4 and M16 AEG replicas. Its high capacity reduces reloading while ensuring continuous ammunition supply during intense gameplay.

- **Type:** Electric drum loader
- **Construction:** Reinforced polymer
- **Capacity:** 2,500 marbles
- **Caliber:** 6mm airsoft
- **System:** Automatic electric winding
- **Compatibility:** Compatible with M4 and M16 AEG replicas
- **Design:** C-Mag double drum
- **Color:** Black

Exceptional autonomy in the field

The **Lancer Tactical Drum C-Mag M4 2500** is designed for players who want to minimize reloads and stay focused on the action. With a 2,500-round capacity, it offers a substantial reserve, especially appreciated during extended scenarios, milsim games, or support roles.

Integrated electric winding system

Thanks to its automatic electric winding mechanism, BBs are fed to the replica at a constant rate. This reduces handling during gameplay and ensures a consistent feed during long bursts of fire.

Iconic C-Mag design

Its design, inspired by the famous double-drum magazines, adds a particularly distinctive visual touch to your setup. This design is appreciated both for its tactical aesthetics and its high carrying capacity.

Robust polymer construction

Made from durable polymer, this magazine combines lightness and strength. It is designed to withstand the stresses of regular use while minimizing the added weight to the replica.

Compatible with AEG M4 and M16 platforms

This model is compatible with most **M4 AEG** and **M16 AEG** replicas on the market. It's an excellent solution for players looking to significantly increase their battery life without modifying their main setup.

- **Capacity:** 2,500 marbles
- **Power supply type:** Automatic electric
- **Format:** Double drum C-Mag
- **Material:** Reinforced polymer
- **Power supply:** 4 AAA 1.5 Volt batteries
- **Use:** Long games, support and milsim
- **Compatibility:** M4 and M16 AEG

Ideal for supporting roles

In scenarios where firepower is critical, this high-capacity magazine allows for a consistent presence on the battlefield. It is particularly well-suited for support players or those who prioritize extended, uninterrupted engagements.

FAQ

Which replicas is this magazine compatible with?

It is compatible with the majority of M4 and M16 AEG replicas using a standard magazine well.

What is the charger's capacity?

The magazine can hold up to 2,500 6mm BBs.

Is the winding system manual?

No. This model uses an automatic electrical system to continuously feed the balls.
