500-round full metal magazine designed for AK74 AEG replicas.

The **BO Manufacture AK74 AEG High Cap 500-round magazine** is designed for **airsoft** players looking for a robust and reliable magazine for their AK74-type electric replica.

- **Type:** Mid Cap Charger
- **Capacity:** 500 shots
- **Compatibility:** AK74 AEG replicas
- **Material:** Full metal
- **Color:** Black

A reliable power supply for your airsoft games

Whether advancing through urban environments or during a game in the woods, this magazine allows you to maintain a substantial reserve of BBs while benefiting from a robust design. The **BO Manufacture AK74 High Cap 500-round magazine** is aimed at AK74-type replica users who want to minimize magazine changes during gameplay.

Durable all-metal construction

Its all-metal construction provides excellent resistance to repeated handling, impacts, and the stresses encountered in the field. This design also enhances the sense of realism appreciated by many **airsoft** players.

Long firing range

With its 500-round capacity, this model offers a comfortable reserve for long gaming sessions. In practice, this allows you to stay focused on the objective without frequently interrupting the game to reload.

Compatibility with AK74 platforms

Developed for compatible AK74 type replicas, this magazine integrates naturally into the aesthetics of the platform while ensuring a regular supply of BBs during intensive gameplay.

- **Finish:** Black
- **Use:** Airsoft
- **Platform:** AK74
- **Ergonomics:** Format faithful to the original charger

FAQ

Is this magazine compatible with all AK74 replicas?

It is designed for compatible AK74 replicas. Compatibility may vary depending on the manufacturer and model of the replica.

What is the capacity of this charger?

This model has a capacity of 500 balls, suitable for long gaming sessions.

What kind of maintenance should be planned?

Regular cleaning and storage in a dry place will help maintain the charger's proper functioning and longevity.
