- **Sights:** mechanical
- **Color:** black

### A GBB airsoft pistol with the MP443 silhouette

The **Stark Arms VFC MP443 GBB** retains the characteristic lines of the MP443 in a configuration designed for airsoft. Its **Gas Blowback** system pumps the slide with each shot, providing dynamic handling during games.

### Removable 18-round magazine

The magazine has a capacity of **18 BBs** . Its removable design allows for reloading between game sessions, while the textured grip helps maintain control of the replica during handling.

**Acquisition conditions and regulations**

With an energy of 1.2 J, this replica falls into the category of objects resembling firearms and generating an energy greater than 0.08 J and less than or equal to 2 J. Its purchase is restricted to adults. Its sale, distribution, or provision, whether free or for a fee, to a minor is prohibited in accordance with Decree No. 99-240 of March 24, 1999. The energy level must be indicated on the product, its packaging, and its instruction manual.

**Can a wrist strap be attached to this replica?**

Yes. There is an attachment point at the base of the handle.

**Can the magazine's fill level be visually checked?**

Yes. The charger has side openings with numbered markings.
