Steel balls for slingshot shooting

Barnett Hot Shot BBs are designed for slingshot shooting. Their .38 caliber and steel construction make them particularly suitable for target practice and recreational shooting.

Frequently Asked Questions

Are steel balls reusable?

Barnett states that these marbles are designed for repeated use. Before reusing a recovered marble, check its condition and discard it if it is damaged.

What precautions should be taken when shooting?

Wear protective eyewear and use a suitable shooting area. Avoid hard surfaces, which can cause ricochets.
