- **Color:** Matte Black
- **Recommended beads:** 0.20 g / 0.25 g
- **Material:** Polymer (FPV - full polymer version)
- **Standard charger:** 12715

FAQ

Is this model officially licensed?

Yes, this replica is distributed under **license from STI International** , with faithful design and unique serial number.

Is it suitable for a young beginner?

Yes, its lightweight design (210g) and simple operation make it ideal for a young player starting out.

What type of BB should I use with this M1911?

We recommend **0.20g** or **0.25g** BBs for best short-range performance.
