The lightest mask on the market

Thermal glass

- Quick screen change
- Multi-directional ventilation
- Peripheral vision

It's the sharpest, lightest mask with the best field of view on the market. The i4 is the pinnacle of DYE's long heritage in mask design. The thermal screen is the market reference in terms of clarity, distortion and fogging, regardless of the weather.

The i4 system also has a wide variety of optional displays to suit all lighting conditions.
