A holster designed for Dan Wesson revolvers

This **Strike Systems holster** was specifically developed to accommodate **Dan Wesson** airsoft revolvers in 6-inch and 8-inch versions. Its molded design perfectly conforms to the shape of the replica to ensure a stable hold and smooth extraction.

Molded structure and reinforced support

The **form-molded** structure improves the revolver's grip on the belt while highlighting the platform's distinctive lines. Once worn, the holster remains securely positioned and minimizes unwanted movement during movement.

Heavy-duty ballistic nylon

Made from **ballistic nylon** , this model offers good resistance to wear and repeated handling. This material is particularly valued in the tactical world for its robustness and durability.

Protective inner lining

The inside of the holster has a **soft lining** designed to protect the finish of the revolver during transport and repeated handling.

Adjustable strap and belt loop

The adjustable retention strap securely holds the replica while allowing for quick handling. The integrated belt loop facilitates mounting on various compatible tactical equipment.

- **Compatibility:** Dan Wesson 6" and 8"
- **Material:** Ballistic nylon
- **Structure:** Rigidly molded
- **Lining:** Soft interior
- **Attachment:** Belt loop
- **Usage:** Right-handed

FAQ

Is this holster compatible with 8-inch Dan Wesson revolvers?

Yes, this model is compatible with Dan Wesson airsoft revolvers in 6-inch and 8-inch versions.

Is the holster designed for right-handed or left-handed use?

This model is designed for right-side porting and extraction.

Does the holster protect the finish of the revolver?

Yes, a soft inner lining helps to limit friction and protects the finish of the replica.
