Wesson, a great name in the history of armament.

The shortest of the Dan Wesson revolvers is this version with a 4" barrel. This is a beautiful silver plated revolver. The all metal construction gives the revolver a solid feel and you can immediately feel the quality.

When it comes to benefiting from brand awareness, it's hard to beat American manufacturer Dan Wesson, whose name comes from the company's founder, Daniel B. Wesson II, great-grandson from the co-founder of legendary gun maker Smith & Wesson. Sold with 6 casings and a rapid charger.
