The universal UH-14, UBC-02, self-retaining plastic holster is designed to carry a wide range of 9 mm double column loaders for the most used service weapons.

Suitable for example for Glock, Sig Sauer P226/P229, SW MP9, Beretta M9, Taurus 92/99, CZ 75 compact, grand power K100, Walther P99 etc.
The holster allows for quick grip and removal of the magazine. The advanced shape of the retaining spring will be appreciated by security forces as well as by shooters practicing field shooting disciplines.
The UBC-02 quick-release system allows it to be installed on the belt without having to unclip it. The gap between the transported material is much smaller with this clip system.

- The case can rotate 360 degrees with 16 locking positions.
- Compatible with the molle system.
- Black color
