**The universal UH-14, UBC-02, self-retaining plastic holster is designed to carry a wide range of 9 mm double column loaders for the most used service weapons.**

Suitable for e.g. Glock, Sig Sauer P226/P229, SW MP9, Beretta M9, Taurus 92/99, CZ 75 compact, grand power K100, Walther P99 etc.

The case allows you to hold and quickly remove the charger. The advanced shape of the retaining spring will be appreciated by security forces but also by shooters practicing situational shooting disciplines.

The UBC-02 quick coupling system allows it to be installed on the belt without having to unclip it.

The gap between the material transported is much smaller with this clip system.

- The case can rotate 360 degrees with 16 stop positions.
- Compatible with the MOLLE system.
- Black color
